BOOK SYNOPSIS

Fire Stick Learn How To Unlock The True Potential Of Your Fire Stick - Plus Helpful Tips And Tricks! The Amazon Fire Stick is a USB memory stick sized streaming device with a huge amount of potential. It has been designed to slot into your TV and revolutionize the way you watch your favorite programs and even your ability to access them. There are two Amazon products capable of digitally streaming media content; the Fire TV and the Fire Stick. Both of these products offer a similar array of services, although the box has a few additional features which justify its higher price tag. Despite the extra functionality the Fire Stick can offer a portability that the box cannot. It is small enough to effortlessly carry with you and use whilst visiting family or friends. All you need to work it is a reliable wireless network and a few moments to get the Fire Stick up and running on a new TV. Here is a preview of what you'll learn: A brief summary of the Fire Stick, its specifications and its capabilities. How to get started with the Fire Stick; setting up and getting to grips with the controls. A range of tips on how to get the most out of your Fire Stick. Several additional helpful tips to emphasize the array of options available to Fire Stick owners.
