BOOK SYNOPSIS

"This thrilling testament to a mothers relentless love may well be Scottolines best novel to date."-Library Journal (starred review) Jill Farrow is a suburban mom who has finally gotten her and her daughters lives back on track after a divorce. She loves being a pediatrician and is about to remarry, while her daughter, Megan, is a happily over-scheduled thirteen-year-old. But Jills life is turned upside down when her ex-stepdaughter, Abby, shows up and delivers shocking news: Jills ex-husband is dead. Abby insists that he was murdered-and pleads with Jill to help find his killer. Jill reluctantly agrees to make a few inquiries, and soon discovers that the story doesnt add up...As she digs deeper, her actions threaten to rip apart her new family, destroy their hard-earned happiness, and even endanger her own life. Yet how can Jill turn her back on a child she loves and once called her own? What are the limits of love, loss, and family? "Relentless...jaw-dropping."-David Baldacci
