## **BOOK SYNOPSIS**

Hes one bad apple she just cant resist . . . Kennedy Sinclair never dreamed shed own a pie shop and an orchard in a small town like Destiny Bay. But nestled between the mountains and the Pacific Ocean, its the perfect place to cross something off her "Lifes short so eat the icing first" list and start her life over from scratch. Her shop, Sweetie Pies, is famous for its hot, flaky apple turnovers and sinfully delicious deep dish pie. For Kennedy though, nothing is more enticing than the tall, strapping slice of temptation who keeps coming back for more. Luke Callahan is determined to make his hard cider business a success. With his beloved fathers cider recipe and the opportunity of a lifetime in his grasp, hell stop at nothing to get this deal done. Theres just one catch: he needs Kennedys apples. At first, he thinks itll be as easy as pie to charm those apples right off her trees. But Kennedy isnt falling for his tender charms or his wicked ways. When the negotiations start heating up, so do the feelings they have for each other. And it takes just one kiss to seal the deal . . .
