BOOK SYNOPSIS

They watched Danilo Silva for days before they finally grabbed him. He was living alone, a quiet life on a shady street in Brazil; a simple life in a modest home, certainly not one of luxury. Certainly no evidence of the fortune they thought he had stolen. He was much thinner and his face had been altered. He spoke a different language, and spoke it very well. But Danilo had a past with many chapters. Four years earlier he had been Patrick Lanigan, a young partner in a prominent Biloxi law firm. He had a pretty wife, a new daughter, and a bright future. Then one cold winter night Patrick was trapped in a burning car and died a horrible death. When he was buried his casket held nothing more than his ashes. From a short distance away, Patrick watched his own burial. Then he fled. Six weeks later, a fortune was stolen from his ex-law firm's offshore account. And Patrick fled some more. But they found him. **BONUS:** This edition includes an excerpt from John Grisham's *The Litigators*.

THE PARTNER A NOVEL - Are you looking for Ebook *The Partner A Novel*? You will be glad to know that right now *The Partner A Novel* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Partner A Novel* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Partner A Novel* and many other ebooks.

We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Partner A Novel*. To get started finding *The Partner A Novel*, you are right to find our website which has a comprehensive collection of manuals listed.
