BOOK SYNOPSIS

Baseball star Will Vandergriff knows any number of women who would happily pretend to be his girlfriend. In a last-ditch effort to restore his good standing with his teams higher-ups, he enlists the help of his neurotic, goody-goody neighbor. Schoolteacher Olivia Pratt might be a bit quirky and a bit of a loner, but shes a lot more inviting than she knows. Will hopes that bringing her to his next game might revamp his reckless reputation and help get his career back on track. The only problem? The plan works a little too well. Not only do the higher-ups love Olivia, but Will plays his best game yet. Suddenly his losing streak is a thing of the past, and Olivia is his new good-luck charm. Will feels anything but lucky. After years of keeping the world at bay, Olivia Pratt is pulling off the ultimate performance--not only reluctantly posing as Wills girlfriend but also insisting that shes oblivious to his major-league appeal. But she can only lie to herself for so long. Being by Wills side feels good. Really good. Maybe its finally time to make a pitch for everything she really wants--and to find out just how exhilarating love can be.

THE THIRTEENTH CHANCE - Are you looking for Ebook The Thirteenth Chance? You will be glad to know that right now The Thirteenth Chance is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
