BOOK SYNOPSIS

Read Susane Colasantis posts on the Penguin Blog. It's sophomore year, and Marisa is ready for a fresh start and, hopefully, her first real boyfriend. But after popular Derek asks her out, things get complicated. Not only do her parents unexpectedly separate, but Marisa has a fight with her best friend, and Derek—the love of her life—delivers a shocking disappointment. The only things keeping Marisa together are the podcasts from the anonymous DJ, who seems to totally understand Marisa. But she doesn't know who he is . . . or maybe she does.
